

Ross Band Amazon Link Instructions

Please consider using the Amazon Link on our website because Amazon will donate a portion of your purchase amount to the Ross Band Boosters.

Instructions for using Amazon Smiles.

- 1) Click on the Amazon link on our website, **rossbandofclass.com**.  The link is above the “Spotlight on Seniors”.
- 2) Sign in to your personal Amazon account.

- 3) Select a Charitable Organization before shopping. Pick your own charitable organization.

Ross Band Boosters

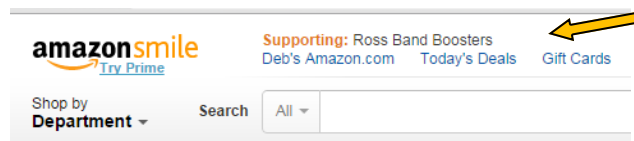

Then click “search”

- 4) Select **Ross Band Boosters**.
- 5) Then shop. You can “bookmark” this page so you won’t have to link through our site. If you regularly log out, then when you shop again, please log in using our link - it will bring you to your log-in screen, then start shopping.

It’s that easy!

You will know you are shopping to benefit the boosters if you see the “Supporting: Ross Band Boosters” on your screen.

In addition to the .5% donation from the Smiles program, Amazon will also donate between 4% - 10% of what you purchase because we have the Amazon link on our website.

This fundraiser will not work on the mobile “Amazon App” yet, but you can use your smart phone to shop/order - just follow the steps above without using your app. Contact rossbandsupporters@gmail.com if you have questions.

Thanks everyone, and happy shopping. Please let family and friends know of this great way to support the Ross Bands.
